BILLING CODE 4910-13-M

Federal Transit Administration

Transfer of Federally Assisted Land or Facility

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of intent to transfer Federally assisted land or facility.

SUMMARY: The Federal Transit Laws permit the Administrator of the Federal Transit Administration (FTA) to authorize a recipient of FTA funds to transfer land or a facility to a public body for any public purpose with no further obligation to the Federal Government if, among other things, no Federal agency is interested in acquiring

the asset for Federal use. Accordingly, FTA is issuing this Notice to advise Federal agencies that the New Jersey Transit intends to transfer the Union City Bus Maintenance Facility on New York Avenue in Union City, New Jersey to the City of Union City.

DATES: Any Federal agency interested in acquiring the land or facility must notify the FTA, Region II, of its interest, by August 16, 1995.

ADDRESSES: Interested parties should notify the Regional Office by writing the Federal Transit Administration, 26 Federal Plaza, Suite 2940, New York, N.Y. 10278.

FOR FURTHER INFORMATION CONTACT: Hans Point Du Jour, FTA, Region II, 212-264-8162 or Ann Catlin, Office of Grants Management at 202-366-1647.

SUPPLEMENTARY INFORMATION:

Background

49 U.S.C. section 5334(g) (formerly, Section 12(k) of the FT Act, as amended) provides guidance on the transfer of capital assets. Specifically, if a recipient of FTA assistance determines that capital assets (including land) acquired, in whole or part, with such assistance are no longer needed for the purposes for which they were acquired, the Administrator may authorize the transfer of such assets to any public body to be used for any public purpose with no further obligation to the Federal Government.

Section 5334 (g) Determinations

The provision also provides that before the FTA may authorize such a transfer, the FTA must first determine that:

(A) The asset being transferred will remain in public use for not less than 5 years after the date of the transfer;

(B) There are no purposes eligible for assistance under the Federal Transit Laws for which the asset should be used;

(C) The overall benefit of allowing the transfer outweighs the Federal Government interest in liquidation and return of the Federal financial interest in the asset, after consideration of fair market value and other factors; and

(D) In any case in which the asset is a facility or land, there is no interest in acquiring the asset for Federal use.

Federal Interest in Acquiring Land or Facility

This document implements the requirements of 49 U.S.C. section 5334(g) (1) (D). Accordingly, FTA hereby provides notice of the availability of the land or facility further described below. Any Federal agency

interested in acquiring the affected land or facility should promptly notify the FTA.

If no Federal agency is interested in acquiring the existing land or facility, FTA will make certain that the other requirements specified in section 49 U.S.C. section 5334(g) (1) (A) through (C) are met before permitting the asset to be transferred.

Additional Description of Land or Facility

The subject building is located at 2701 New York Avenue, Union City, New Jersey, on approximately 3 acres of land. The building was built in stages between 1896 and 1928 as a trolley maintenance facility. It has approximately 131,000 square feet of building area overall with 7 bus bays available for storage and service.

Issued On: July 11, 1995.

Thomas J. Ryan,

Regional Administrator, TRO-II.
